

A SYSTEM-BUILDER

People who have been sick, need a tonic to help them regain their strength. After severe illness, you know the tired, weak, no-account feeling that hangs on, after you get up and begin to go about. The sooner you get your strength back the better, and you should derive valuable assistance, in enriching your blood, renewing your appetite, helping you to digest your food, and to build up your system, by taking

ZIRON

The Scientific Iron Tonic

Mr. Ervin Horton, a prominent citizen of Horton, Ala., writes: "I have been taking Ziron, and it is a wonderful medicine. It helped me more than anything else, after I had the influenza. It is a great system-builder. I appreciate what Ziron has done for me." The merit of Ziron has been proved by the good results obtained by thousands of men and women who have taken it. You should try Ziron. Your money will be refunded if the first bottle of Ziron fails to help you.

Ask your druggist for Ziron. Accept no substitutes. ZJ. 2

To The Teachers of Jackson County.

I have been very highly pleased with the attendance of teachers in the monthly associations this summer and fall. The attendance of teachers has been from 54 to 63. This is the best monthly regular attendance during the six years I have been county superintendent. This means loyalty to the cause of education.

A Tonic For Women

"I was hardly able to drag, I was so weakened," writes Mrs. W. F. Ray, of Easley, S. C. "The doctor treated me for about two months, still I didn't get any better. I had a large family and felt I surely must do something to enable me to take care of my little ones. I had heard of

CARDUI

The Woman's Tonic

"I decided to try it," continues Mrs. Ray. "I took eight bottles in all. I regained my strength and have had no more trouble with womanly weakness. I have ten children and am able to do all my housework and a lot outdoors. I can sure recommend Cardui."

Take Cardui today. It may be just what you need. At all druggists.

AKRON, OHIO.

Akron, Ohio.
Nov. 21, 1920.

Dear Editor:

Will you please spare me space in the dear old Jackson County Sentinel?

Times are very dull in Akron. The rubber shops are somewhat slack on work. They continue to turn off hands every day.

We have had some bad weather with a lot of snow.

Bertha Murphy you are very fortunate to your pearls when you did, as Mounce Moss has been reading the paper every week and seeing where Dr. Green's son has been calling at A J M's so often.

Letha Moss, you should have been with us this p. m. Mrs. Harley and Pearl have been over. We sure had a time.

Hubert Moss and wife were the recent guests of D D Lundy and family.

I wonder if Anna V Hawkins has recovered from her illness. I never hear from her any more.

I heard some talk of Mounce Moss and Miss Duckworth marrying, but don't know for sure about it, although I have heard them say they were all going to Tennessee next summer.

Hello! G W Davis, of Gore, Ga. Did you marry before you left Tennessee?

Eston Spivey, how do you like the city by now. Are you going with us to Oswego, Mont. in April, where you can hear coyotes howl and kill jack rabbits?

Mrs Lundy is doing quite a lot of dress making.

Come on sugar creek and Big Bottom with the news, we want to know about what's going on.

What has become of Shirley Spivey that he never comes around any more?

I wish I had a number of you people up here to go with me to

the shows.

Leath, has Howard Blair come home? He left his suit case and to see you. I guess we would overcoat with us and has never have a good time.

come or called for them.

Many good wishes to all readers.

A Friend.

Ford

THE UNIVERSAL CAR

Genuine Ford Service and Parts

INSIST on genuine Ford parts for your Ford car. Mail order houses, stores and many garages sell imitation-counterfeit parts which have not the quality of the genuine Ford parts, but the authorized Ford Dealers as well as the Authorized Sales and Service Dealers sell only the genuine Ford-made parts. You are safe with them, while your car is mighty unsafe if repaired with imitation parts. The real Ford parts are made from the same properly heat-treated steel as their counter-parts in the Ford car. Every part is heat-treated according to its use. Depending upon the service they perform, Ford parts are tempered to insure the longest life. Tested after almost every operation while being manufactured, these parts present a vast difference from those not manufactured under Ford supervision. Counterfeit parts range from thirty to seventy-five per cent below the quality of the Ford standard. Don't take chances; demand Ford parts, they're safer. Bring your Ford to us and thus make "assurance doubly sure." If you want a Ford car, truck or Fordson tractor, leave your order without delay, as now we can make fairly prompt delivery-Touring Cars, Coupes, Sedans, Runabouts, Trucks and Fordson Tractors. Why not drop in and talk over your wants?
